We are looking for self-employed Suzuki violin and cello teachers to teach lessons after school on weekdays in our dedicated Suzuki music centre in Hackney. Some teaching is available immediately, some from September. Violin teachers will be offered a mix of new and existing students.

Hours are flexible but roughly 3pm-7pm. You could work one or two days a week with us. We provide students, group lessons and mentoring for our teachers. You provide fun, enjoyable lessons and good results. Permanent positions available now.

Apply by Friday 6th May.
