Airport coach leaving times are approximate. They will leave when passengers from the flight they are meeting have boarded the coach and a roll call has been carried out by the LSG Coach Marshall. Every effort will be made to contact any missing passengers but the coach will not be indefinitely delayed as the parking time is limited. It is the responsibility of the passengers to be at the meeting point/coach on time.

Our coaches will go to the front of the terminal (outside lane) only when the flights they are meeting have landed. Follow the signs in the airport to the coach boarding area (Level 0, Stands 9 & 10 at Gatwick South). Someone on each coach has agreed to be the LSG Coach Marshall responsible for asking the airport coach marshal to summon our coach. If you need to ask the airport coach marshal at Heathrow or Gatwick whether your coach has been called, please give him the number of the flight the coach is meeting, not your own.

If your flight is delayed and you miss your coach, please call Philip Wake for advice on 0044 (0)7801 482346.
